

*Where business pursuit meets eternal purpose*

## FOUNDATIONAL TEACHING

Access a comprehensive archive of video, audio and notes that will give you foundational paradigms to partner with God at work. The library is updated monthly with new content designed just for you.

## COMMUNITY HUB

Engage at the community Hub where you can connect to real people, ask real questions and get real answers. Share your experiences and learn from others in a trusted, secure environment.

## BUSINESS CASE STUDIES

Apply the foundational paradigms to your daily work through the examples demonstrated in these business case studies and personal testimonies. Interact with monthly new content and tools to create your own story with God at work.

## PRICING

All access gives you the freedom to watch or listen anytime and anywhere. Create your own topical discussions, download message summaries and connect with other like-minded business people.
